6. Your Package

- 6.1 You have selected the package reflected under "Choose your Service" on the Application Form. This is referred to as your "Data Bundle". The limit of your Data Bundle is referred to as your "Base Cap".
- 6.2 You may only use the Service for purposes of accessing the Internet, and sending or receiving email. You may not use the Service for any other purposes, including (without limitation) the making of voice calls, or the sending of SMSs. The use of the Service for any purposes other than as contemplated in this clause 6.2 will fall outside of your Data Bundle, and you will be charged for such usage as provided for in clause 9.1.4.

- 6.5 We do not guarantee the efficiency of the Automatic Credit Limit and you remain responsible to monitor your usage of the Service.
- 6.6 You are entitled to upgrade to a Data Bundle with a higher Base Cap offered as part of the Service at any time during the Contract Period or a Renewal Period.
